10	OF	$22
10	MF	$18

THINK/WRTE/JUSTIFY:
What do you think of Student J's thinking?

Is it all correct? If so, please explain why you say that is so.

Is it partly correct?   If so, please explain where it isn't correct and what you would do to make it correct.

Does it answer our prompt, "When do all three plans cost the same?" Explain your answer in detail.

Does it tell us if Movie Buster is ever the best deal? If so, where and how?

Does it tell us if Online Flix is ever the best deal? If so, where and how?

Does it tell us if Mail Flix is ever the best deal? If so, where and how?
